

Travel Tips

To make your journey to the Frutt Mountain Resort easier, we have compiled important information and tips for your stay.

Arrival by gondola

Car parking if you arrive by cable car

If you want to enjoy the real alpine flair, then we recommend you to arrive by cable car.

For this you park your car at the valley station Stöckalp and take the gondola comfortably to the mountain station Stöckalp.

- **Parking garage Stöckalp - Costs**

A parking space (floor B is our parking garage) costs CHF 12 per day.

Within the parking garage there is free choice of parking space. We do not guarantee covered parking spaces.

In case you book the garage with us in advance, you will receive your parking card when you check in your luggage at the valley station on the day of your arrival.

- **Public parking Stöckalp**

Alternatively, a free parking lot is available at the Stöckalp valley station.

The way from the gondola to the reception

- **Stöckalp mountain station - to the Mountain Lodge reception**

When you arrive at the mountain station, go through the main exit to the left. Follow the path for about 250 meters (a little uphill and downhill again). Straight ahead you will see the hotel and the entrance to the reception.

- **Stöckalp mountain station - to the Lago Lodge reception**

When you arrive at the top station, get out of the gondola and go right through the turnstile. You will see a sign „old mountain station“ and „hotel“ - please follow this sign. Take the elevator down and follow the tunnel (underpass) - there you will come to the „old mountain station“. After crossing the street, below the „Café Lädli“, you will find our Lago Lodge entrance and its own reception.

Restaurant & Bar

In gastronomy, the quality of classic restaurant service at the table is once again coming to the fore, displacing the permanent variety at the buffet - here, too, enjoyment is not limited - but changed. Less choice brings more freshness to your plate. We are already looking forward to being able to spoil you with culinary delights soon.

- Restaurant dinner visits are possible only with advance reservation
- Dinner in the restaurant is divided into slots - please register for this at our reception
- QR code menu cards are available
- The hotel bar offers small snacks and is open daily until 12 p.m.

Wellness & Spa

The power of Grander water, the panoramic view over lake and mountains and the mystical natural spectacles beguile, while body, mind and soul take a treat themselves to some time out. Our Alpine Wellness Oasis offers you peace, space and time.

To guarantee this, we have reduced the number of visitors to the Frutt Mountain Spa. We recommend that you inform us of your desired spa times before arrival.
